The inspections on all levels were carried out in the country of origin, **Germany**, by BCS Öko-Garantie GmbH, Nuremberg, Germany. BCS is an USDA-accredited inspection and certification body.

This Master Certificate does not constitute any guarantee of product quality since inspection and certification criteria only refer to the standards mentioned in this document. It is only to confirm the organic origin and the equivalence to the USDA/NOP-Final Rule.

The certification is the result of selective inspection events. It is the certificate holder that is responsible for the permanent compliance of all requirements of the above-mentioned standards. The organic certification of the above mentioned operator continues in effect until surrendered by the operator or suspended or revoked by BCS. In case of suspension or revocation the certificate has to be returned to BCS.

This certificate is **no trade certificate** and is valid as original only. Copies have to be marked as such.

Effective date of certification: 22nd September 2005

Certificate renewal date: 28th February 2010
